

IMMUNIZATION REQUIREMENTS

The State of Georgia and Georgia Department of Human Resources requires that all students entering Pre-K, Kindergarten, 6th and 7th, and new entrants* to Georgia schools have the following immunizations listed below.

- Second dose of mumps vaccine or serological proof of immunity (MMR, MMRV)
- Second dose of varicella (chicken pox) vaccine, serological proof of immunity, or healthcare provider documentation of disease history
- Children under 5 years old: must be age-appropriately immunized against pneumococcal disease
- 2 doses of Hepatitis A should be administered to all children born on or after January 1, 2006
- Tdap (Tetanus, Diphtheria and Pertussis) and meningococcal conjugate vaccines must be administered before entering school for all children born on or after January 1, 2002 who are entering 7th grade, and new entrants to Georgia schools in grades 8-12.

Please check with your physician to schedule an appointment for your child's state required vaccinations and to request a current 3231 form. Any student that does not have a complete and current immunization form will not be able to start the school year.

Submission:

- FAX: Fax Number - (678) 735-3440, Attention: Admissions
- EMAIL: admissions@lcalions.com

Effective July 1, 2020, children 16 years of age and older, who are entering 11th grade (including new entrants), must have received one booster dose of meningococcal conjugate vaccine (MCV4), unless their initial dose was administered on or after their 16th birthday.
